Dear Families

AFTER SCHOOL CLUBS – AUTUMN TERM 2026

The chart below gives details of the After-School Clubs we will be running in the Autumn Term. If your child is interested in starting one of these clubs, please contact the school office.

We have two clubs that are run by independent companies, you will need to contact them directly, details of how to do this are on the attached leaflets.

CM Sports Football Club Create Club

We also have two clubs run voluntarily by our staff and these are:

Cars Maths in Motion - Cars Maths in Motion is run by Mr Stanley on Thursdays from 3.15 – 4.15. This club combines the thrill of racing simulated F1 cars against your friends and pupils from other schools while using mathematics skills such as accurate measurement and calculating percentages. Pupils develop their maths skills as well as building good teamwork skills. This club is open to Years 5 and 6 and is suitable for pupils who enjoy a mathematical challenge. There will be a charge of £1.00 per week towards the subscription cost of the programme. Please pay via Scopay.

Film Club – Film club will be run by Mr Stanley on Fridays from 3.15 – 4.15pm and is open to pupils from Year 2 to Year 6. There is no charge for this club, but there is the opportunity to buy snacks.
